- Collecting, reviewing and analyzing data
- Creating individualized regulation and/or behaviour plans
- Supporting caregivers and education teams to implement plans
- Modeling and coaching caregivers and education team on best practices and strategies
- Monitoring goals and plans
- Writing reports and maintaining client files

At Children's Autism Services of Edmonton, you will enjoy:

- The option to receive supervision toward your BCBA hours
- The flexibility of building your own schedule
- Feeling that you are making a difference with families
- Working with colleagues who are leaders in the field of autism; including: Other BCBA Behaviour Consultants, Psychologists, Speech-Language Pathologists, Occupational Therapists, Educational Consultants, a Registered Dietician, Social Worker, Physical Literacy Consultant, and a Nurse Practitioner
- A strong, supportive team work environment
- Two state-of-the art treatment campuses
- A strong professional development focus
- Laptop, cell phone and resources provided
- Competitive salary and an excellent benefit package
- Paid travel time and mileage

To apply, you must have:

- A current Board Certification (or a scheduled exam with the Behaviour Analyst Certification Board (BCAB))
- A Masters Degree in Applied Behaviour Analysis or related field and working towards their certification will be considered
- Experience in providing consultation to families
- Your own vehicle and valid driver's license
- Excellent communication and organizational skills
- Passion and commitment for working with children and their families
- All hires must provide a Police Information Check with Vulnerable Sector, Child Welfare check and First Aid Level-C CPR/AED

Preference will be given to applicants with prior experience with autism, and knowledge of crisis intervention and prevention.
