Job Description – [Edit](#)

We are currently recruiting Educational Assistants: A position where you will work one on one with children with autism and other special needs in their classroom or early education setting.

As an Educational Assistant you will be part of a talented multidisciplinary team working with children, families and school teams. The team (parents, teacher, consultants etc.) is responsible for implementing the goals of the child's Individual Program Plan and supporting and working closely with the child and school team to build capacity.

You will:

- Participate in ongoing training and in-services
- Attend regular team meetings
- Work in a child focused, supportive environment
- Be a key part of a child's school routine, collaborating with teacher, parents and the professional team to help the child reach their goals
- Support child to foster independence in the classroom environment.

Qualifications:

- Applicants should have experience working with or caring for children and experience with child development.
- Applicants must have a police information record check (including vulnerable sector), intervention record check and First Aid & level-C CPR.
- Applicants should possess a valid driver's license and access to a vehicle.
- Applicants must be dedicated to children, committed to learning new skills, and interested in making a difference!

Application Questions – [Edit](#)

You have requested that Indeed ask candidates the following questions:

- How many years of child care experience do you have?
- Do you have the following license or certification: valid driver's license, and access to a vehicle?

- Are you in Edmonton, AB?
- What is the highest level of education you have completed?
