

Social Worker Children's Autism Services of Edmonton

Children's Autism Services of Edmonton, is seeking a full-time Social Worker for our dynamic and growing organization. We provide diagnostic services, and in-home and school consultations to meet the needs of families and children who have autism and other developmental disorders.

As a Social Worker working with our organization, you will:

- Provide individual and couples counseling to parents and siblings
- Offer social work services including consultation, coaching and mentoring, and direct support to children and families as it pertains to diagnosis and impact of autism
- Provide supportive counseling and crisis intervention support to individuals and families

At Children's Autism Services of Edmonton, you will enjoy:

- The flexibility of building your own schedule
- Feeling that you are making a difference with families
- Working with colleagues who are leaders in the field of autism; including: Other Social Workers, Psychologists, Speech-Language Pathologists, Occupational Therapists, Behaviour Consultants, Educational Consultants, a Registered Dietician, Psychologist, Physical Literacy Consultant, and a Nurse Practitioner
- Two state-of-the art treatment campuses
- A strong professional development focus
- Laptop, cell phone and resources provided
- Competitive salary and benefit package

To apply, you must have:

- Completion of a Master's degree in Social Work.
- Active or eligible registration with the Alberta College of Social Workers (ACSW)
- Your own vehicle and valid driver's license
- Group management and facilitation experience
- Mediation, negotiation and conflict resolution skills
- Ability to manage crisis situations effectively and efficiently
- Excellent oral and written communication skills
- All hires must provide a Police Information Check with Vulnerable Sector, Child Intervention Check and First Aid & Level-C CPR/AED

Preference will be given to applicants with demonstrated counseling experience dealing with complex families. Education, training and experience in autism, and special needs are considered an asset.
