

Youth Summer Camps

Why would you choose our camps?

Our summer camps provide a calming environment, with support from highly trained staff, understanding your child's needs and providing them opportunities to try new things and explore new places! This year we have teamed up with community programs to deliver highly engaging, and active camps for our youth. Some activities include:

- *Swimming, Yoga, Gymnastics, and diving*
- *Ball games and group activities.*
- *Outdoor play.*
- *Exploring new community centers.*
- *Art activities including sensory craft play.*
- *Wednesdays are spent at Kinsmen Sports Center enjoying the playground, pool, and Spray Park!*

Aged 10-14 - Full Day

Day camps may take advantage of activities already offered by the community like gymnastics, and swimming programs

More Information Coming Soon!

Follow us on Facebook and Twitter for updates and more information about our camps coming soon!
