RE-THINKING WHAT WE KNOW PART 3 MARCH 15, 2021

Children's Autism Services of Edmonton would like to invite you to join us for **Part 3** of our **Annual Conference Mini-Series** on March 15th, 2021. We are going virtual and taking advantage of this opportunity to bring some amazing speakers to you through distance technology. You will be able to watch the conference from anywhere and engage with the speakers and other attendees.

Our theme this year is **"Re-thinking What We Know."** The pandemic has challenged us to think in new and different ways and we will be exploring that topic with our speakers. Speakers include Dr. Barry Prizant, Shelley Moore, and Dr. Juliann Woods.

This event will showcase important tools and resources for education and health care professionals, and children and families in our community.
