

## **Psychologist Children's Autism Services of Edmonton**

Children's Autism Services of Edmonton, is seeking a Psychologist for our dynamic and growing organization. Children's Autism Services of Edmonton offers psychology and counselling supports to adults, teens and children; including caregiver supports and sibling support. Our psychology team specializes in Autism Spectrum Disorder, Attention-Deficit Hyperactivity Disorder, Obsessive-Compulsive Disorder, Anxiety and other related mental health challenges. Children's Autism Services of Edmonton is a leader in autism diagnostic assessment for children, teens and adults. The assessment team is comprised of other psychologists, speech-language pathologists, occupational therapists and social worker who have extensive experience in Autism and diagnostic assessment. Individuals and families that come for assessment are well equipped for the next steps of their journey by follow-up and support to access different funding sources, medical follow-up and recommendations for their education setting.

As a psychologist working with our organization, based on your scope of practice, you will be providing:

- Diagnostic assessment as part of our multi-disciplinary Autism assessment team
- Cognitive, psychoeducational and social-emotional assessments
- Direct intervention and counseling to children and families who are impacted by grief, anxiety, trauma and/or mental health
- Safety and risk assessments for caregivers that are demonstrating signs of crisis
- Facilitating sibling groups
- Supervision and mentorship to provisional psychologists

At Children's Autism Services of Edmonton, you will enjoy:

- Strong emphasis on mentorship, professional development and working with other psychologists who are experts in the field of Autism
- Feeling that you are making a difference with families
- The flexibility of building your own schedule
- Options to provide counselling services virtually or face-to-face
- Working with colleagues and teams who are leaders in the field of autism
- A strong, supportive team work environment
- Two state-of-the art treatment campuses
- Laptop, cell phone, a wide range of assessment tools supplied

To apply, you must have:

- Registration with The College of Alberta Psychologists
- Your own vehicle and valid driver's license
- Excellent communication and organizational skills
- All hires must provide a Police Information Check with Vulnerable Sector, Child Welfare check, proof of Covid-19 vaccination status and First Aid & level-C CPR
