

CHILDREN'S
Autism Services

**CHRISTMAS
HAMPER**
Campaign

Every year, **Children's Autism Services** brings holiday cheer to families in need through our **Christmas Hamper Campaign**. These special hampers are filled with everything from specialized toys and clothing to food, toiletries, and more, designed to bring comfort and joy to families facing extra challenges.

This year, the need is even greater. Many families are struggling, not just during the holidays, but year-round as they balance the additional costs of raising an autistic child with economic challenges. With **1 in every 50 Canadian children and adolescents diagnosed with autism**, the demand for support is higher than ever.

That's where you come in. Your generosity makes all the difference. We would be incredibly grateful for your donation to our Christmas Hamper Campaign. With your support, we can make sure families don't have to face the holidays alone.

Together, we can help these families thrive.

If you're interested in sponsoring our Christmas Hamper Campaign, we'd love to talk more about how you can get involved. **Recognition opportunities** are available to express our gratitude for your support.

Let's make this holiday season brighter for families who need us most.
